

Fall Track Work

Boston Station

Between September 8 and October 5, 2018, Pan Am Railways will install approximately 15,000 ties along the railroad between Wells, ME and Dover, NH. Additional track work will occur between Brunswick and Portland between September 8-14. These construction projects will result in service interruptions including schedule modifications, alternative transportation and/or train cancellations from various locations between Dover and Brunswick. No construction related interruptions are anticipated for trains scheduled to operate between Dover and Boston during this time.

September 8-9, 2018

NO service will be available between Boston and Freeport or Brunswick during this time. All regularly scheduled Downeaster trains will operate between Portland and Boston making all interim stops except Woburn.
