

# Fall Track Work

## Dover Station

**Between September 8 and October 5, 2018**, Pan Am Railways will install approximately 15,000 ties along the railroad between Wells, ME and Dover, NH. Additional track work will occur between Brunswick and Portland between September 8-14. These construction projects will result in service interruptions including schedule modifications, alternative transportation and/or train cancellations from various locations between Dover and Brunswick. No construction related interruptions are anticipated for trains scheduled to operate between Dover and Boston during this time.

### September 8-9, 2018

**NO** service will be available between Dover and Freeport or Brunswick.

### September 10-14, 2018

#### WEEKDAYS:

#### **Southbound Trains # 680, 682, 686, 688 from Dover:**

- Regular Downeaster train service will operate between Dover and Boston making all interim station stops.

**Southbound Train # 684: ☹ Cancelled.**

#### **Northbound Trains # 681, 685 to Dover:**

- Regular Downeaster train service will operate between Boston and Dover making all interim stops.
- Passengers travelling from Dover to Wells, Portland, Freeport or Brunswick will be provided Motorcoach shuttle transportation.
- No service to Saco or Old Orchard Beach.

**Northbound Train # 683 to Dover: ☹ Cancelled.**

#### **Northbound Trains # 687, 689 to Dover:**

- Regular Downeaster train service will operate between Boston and Portland on a modified schedule. Delays should be expected north of Dover.
- No service to Freeport or Brunswick.
