

# Fall Track Work

## Freeport Station

**Between September 8 and October 5, 2018**, Pan Am Railways will install approximately 15,000 ties along the railroad between Wells, ME and Dover, NH. Additional track work will occur between Brunswick and Portland between September 8-14. These construction projects will result in service interruptions including schedule modifications, alternative transportation and/or train cancellations from various locations between Dover and Brunswick. No construction related interruptions are anticipated for trains scheduled to operate between Dover and Boston during this time.

### September 8-9, 2018

**NO** service will be available to↔from Freeport. All regularly scheduled Downeaster trains will operate between Portland and Boston.

### September 10-14, 2018

**NO** service will be available between Freeport and Old Orchard Beach or Saco during this time.

#### WEEKDAYS:

##### **Southbound Trains # 682, 686, 688 from Freeport:**

- Passengers travelling from Freeport can expect to travel via Motorcoach shuttle from Freeport to Portland, Wells and then to Dover Station.
- Passengers will transfer to a Downeaster train in Dover for continued service between Dover and Boston making all interim station stops.

##### **Southbound Train # 684: Cancelled.**

##### **Northbound Trains # 681, 685 to Freeport:**

- Passengers traveling from Boston to Freeport can expect to travel on a Downeaster train between Boston and Dover making all interim station stops.
- Passengers will transfer to a Motorcoach shuttle in Dover for continued service to Freeport, making stops in Wells, Portland and Freeport only enroute to Brunswick.

##### **Northbound Train # 683 to Freeport: Cancelled.**

##### **Northbound Trains # 687, 689 to Freeport: Cancelled.**

(cont'd)→
