

Fall Track Work Haverhill Station

Between September 8 and October 5, 2018, Pan Am Railways will install approximately 15,000 ties along the railroad between Wells, ME and Dover, NH. Additional track work will occur between Brunswick and Portland between September 8-14. These construction projects will result in service interruptions including schedule modifications, alternative transportation and/or train cancellations from various locations between Dover and Brunswick. No construction related interruptions are anticipated for trains scheduled to operate between Dover and Boston during this time.

September 8-9, 2018

NO service will be available between Haverhill and Freeport or Brunswick.

September 10-14, 2018

WEEKDAYS:

Southbound Trains # 680, 682, 686, 688 from Haverhill:

- Regular Downeaster train service will operate between Haverhill and Boston making all interim station stops.

Southbound Train # 684: ⓧ Cancelled.

Northbound Trains # 681, 685 to Haverhill:

- Regular Downeaster train service will operate between Boston and Dover making all interim station stops.
- Passengers travelling from Haverhill to Wells, Portland, Freeport or Brunswick will be provided Motorcoach shuttle transportation.
- No service to Saco or Old Orchard Beach.

Northbound Train # 683 to Haverhill: ⓧ Cancelled.

Northbound Trains # 687, 689 to Haverhill:

- Regular Downeaster train service will operate between Boston and Portland on a modified schedule. Delays should be expected north of Dover.
- No service to Freeport or Brunswick.
