

Fall Track Work

Wells Station

Between September 8 and October 5, 2018, Pan Am Railways will install approximately 15,000 ties along the railroad between Wells, ME and Dover, NH. Additional track work will occur between Brunswick and Portland between September 8-14. These construction projects will result in service interruptions including schedule modifications, alternative transportation and/or train cancellations from various locations between Dover and Brunswick. No construction related interruptions are anticipated for trains scheduled to operate between Dover and Boston during this time.

September 8-9, 2018

NO service will be available between Wells and Freeport or Brunswick.

September 10-14, 2018

WEEKDAYS:

Southbound Train # 680 from Wells:

- No service will be provided between Wells and Dover.
- Downeaster train service will operate between Dover and Boston making all interim station stops.

Southbound Trains # 682, 686, 688 from Wells:

- Passengers will travel via Motorcoach shuttle from Wells to Dover Station.
- In Dover, passengers will transfer to a Downeaster train for continued service between Dover and Boston making all interim station stops.

Southbound Train # 684: ☹ Cancelled.

Northbound Trains # 681, 685 to Wells:

- Passengers traveling from Boston to Wells can expect to travel on a Downeaster train between Boston and Dover making all interim station stops.
- Passengers will transfer to a Motorcoach shuttle in Dover for continued service to Wells enroute to Portland, Freeport and Brunswick.
- No service to Saco or Old Orchard Beach.

Northbound Train # 683 to Wells: ☹ Cancelled.
